Tour attendees will meet in the lobby of the Marriott Hotel in Panama City at 7.45 a.m.

- 8 a.m.: Set off from Panama City
- 11.00 a.m.: Arrive at the Simply Natural Plantation

*The Simply Natural President and CEO will provide a personal tour of the plantation and detailed overview of the operations: see the planted saplings, ongoing land clearing activity, construction of man-made lakes and visit the property's rivers and view points while receiving a first hand insight into project developments from the Senior Management team.*

*You will spend time at the on-site Nursery, learn how tropical fruit trees are planted and find out how we prepare our very own "secret sauces" - bio-fertilizers, bio-pesticides and soil remedies. You will also see how the latest technologies in the form of Unmanned Aerial Vehicles help us to implement irrigation systems.*

- 1.30pm: Arrive in Penonome

*Capital of the province of Coclé and one of Panama's historic agricultural towns.*

*Stop for an early lunch in Meson Santa Cruz, which is the family restaurant of Simply Natural President, Mr. Alan Winstead. The restaurant has been in the Winstead family for generations and is the perfect place to sample some local Panamanian cuisine.*

\* Please note, that due to limited availability the Tour on Sunday 23rd is strictly for potential investors. Existing investors who wish to revisit the plantation will be added to a waiting list for the tour on Thursday 27th.
